What is CSB Ministries: *We are a discipleship ministry dedicated to engaging, encouraging and equipping godly men to raise up godly young men to lead and serve in family, church and community. We meet every Thursday (during the school year) at First Presbyterian Church in Yakima to empower men to use their own gifts, talents and experience to teach the truth of God's Word with insight and enthusiasm and to encourage young men and boys to grow in Christ-likeness through relationships with godly men, through fun Bible-related activities that are exciting and relevant to them, through applying Scripture to daily life, through opportunities to serve Christ together, and through memorizing God's Word. We're a lot like Boy-Scouts with the goal of building church leaders.*
